Karyn Hart

Karyn,

It's been fun! In and out of school. Remember room B with Mr. B. Remember the great times we had at the Hills. Riding through the park a million times. Leaving 4th to get something to eat. Computer class what a blast. Have fun all of your life that is what is important.

Love
Theresa

P.S. I will call you when I get back and we will have a party.

Karyn,
It's been a lot of fun. I'm glad we got to know each other this year. Thanks for all the fun times in English and Geometry. You're a real sweet girl.

DOSS HIGH SCHOOL
7601 St. Andrews Ch. Rd.
Louisville, KY 40214

1985 Board of Education

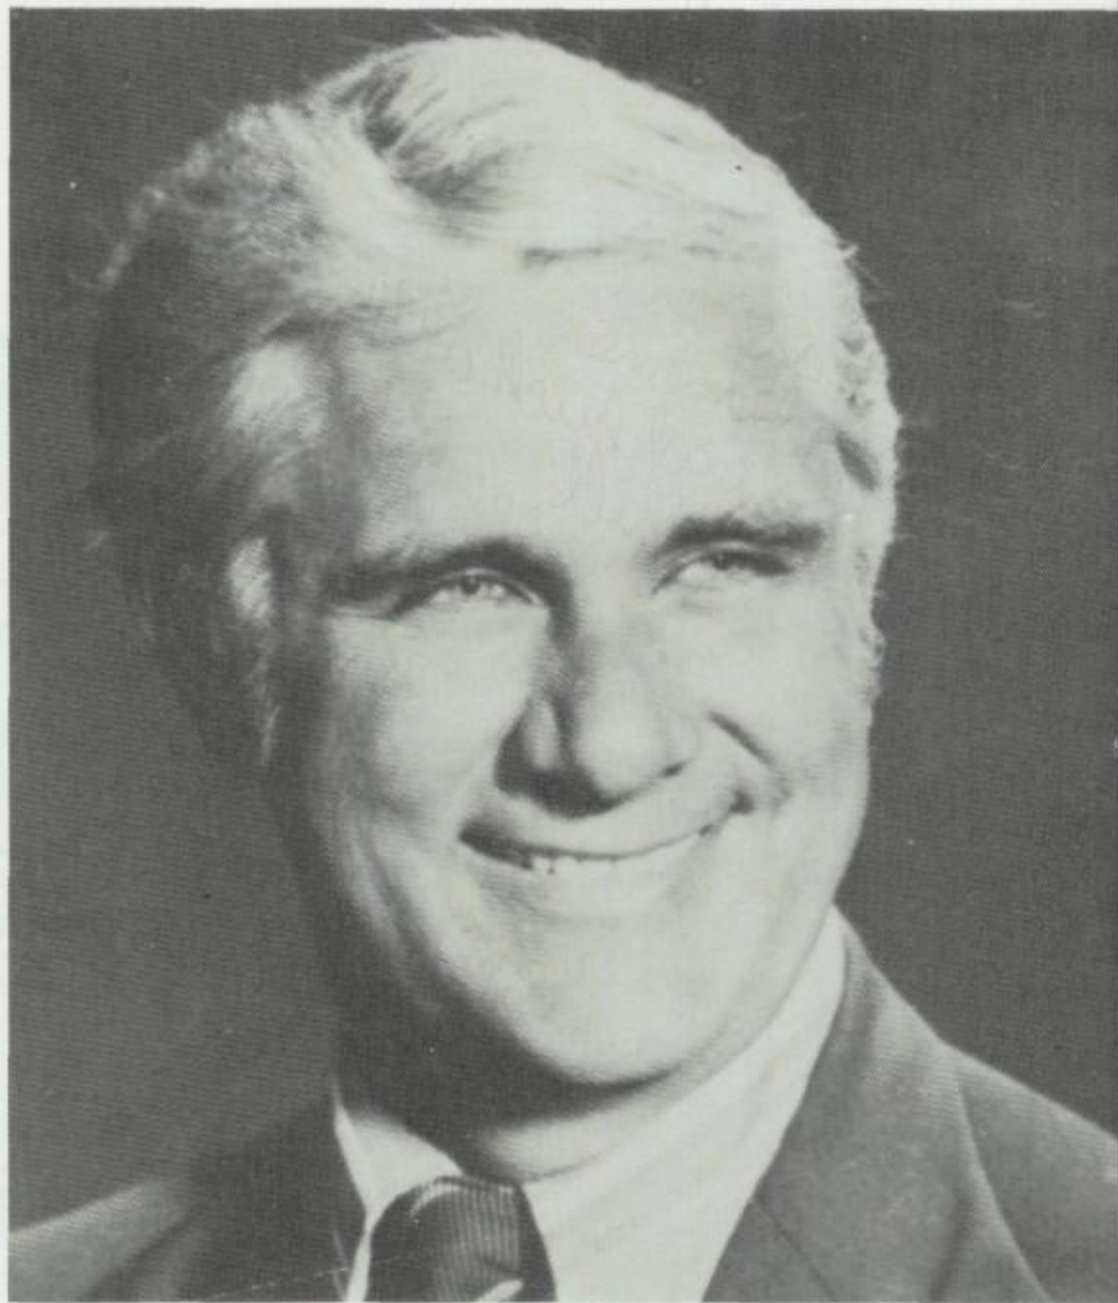

Over these past ten months you have worked at your studies and learned many things which you did not know when school began. What you have learned was the result of many factors, not the least of which was your individual efforts. It has been said that we get out of life what we put into it. Your efforts in studying, in writing, in practice, and the hours you have put into your classes have been rewarded by the new knowledge you have gained; knowledge that no one can ever take away from you.

Now this year is over, but your learning continues, for all of life is a school, and we learn by everything we do.

As you enter the work force or continue your education in college, I hope you will live life and learn from it as surely as you have learned from us over this past year. We are proud of your accomplishments and achievements.

We know you will maintain your standards of excellence throughout your lives. Again, best of luck and congratulations. You've made us proud.

Miss Doss-Kimberly Hill

Being a winner comes as natural as running.

Doing what she does best.

Reaching for success.

Being escorted by Jeff on Homecoming Court.

Kimberly Hill was chosen by the school staff as 1985's Miss Doss. Kim is a very involved student. She has always been involved in numerous activities in and out of school including: Sophomore Secretary-Treasurer, Science Club, Track, Choir, Pepsi Singers, Youth Black Achievers (YMCA), Junior Football Homecoming Princess, Jr. & Sr. Powder Puff Football, Student Council Executive Committee, Youth News, Calendar Pageant, Contemporary Youth, Ky. Free Enterprise System Business Seminar, Sr. Football Homecoming Court, Most Talented of the Sr. Class, and Who's Who.

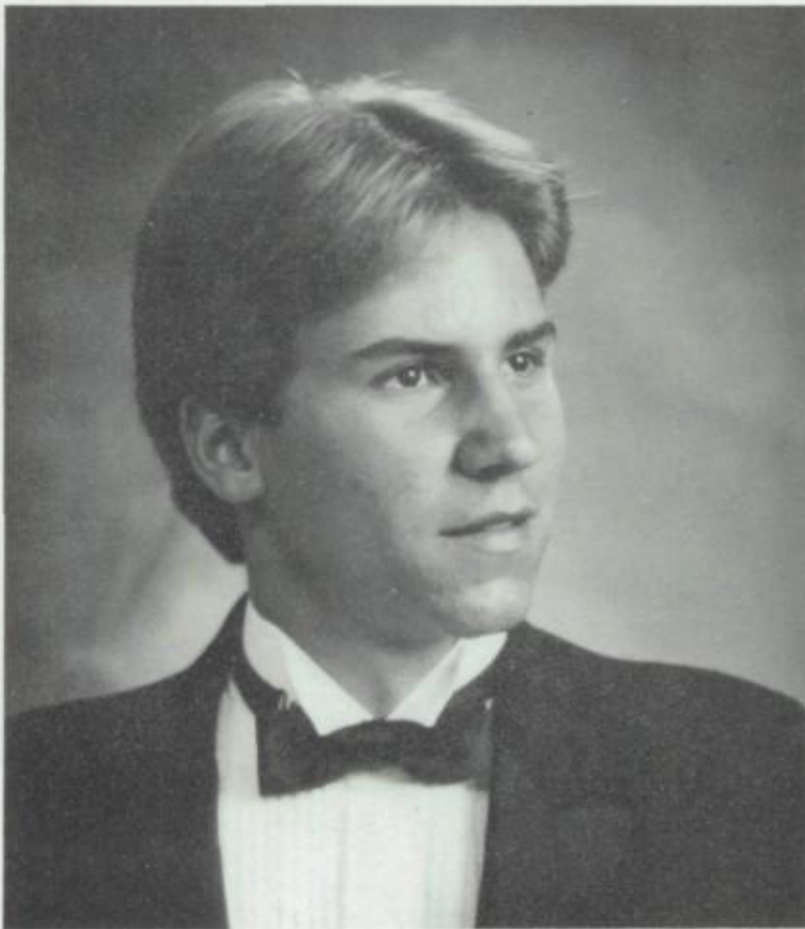

Kim is the daughter of the Reverend Walter and Mrs. Pearlea Hill. Three of Kim's brothers are Doss graduates. Kim maintains a 3.2 grade point average, and is ranked 33rd in the Senior Class.

When the Myth Staff asked Kim for her thoughts about her years at Doss, she replied, "Doss has become my haven of growth and development. It has taught me how to get along with others and realize the value of friendship. The acknowledgement of my potential has become very evident to me as I have grown these past four years at Doss."

Mr. Doss—Spence Shipley

Recipient of "player of the week".

All dressed up for State Tourney 84'.

Passing the ball comes easy.

Up for two points.

By a vote of the school staff, Spence Shipley was chosen as 1985's Mr. Doss. Spence has always been an involved student throughout his school years at Doss. His activities include: the Excel Program, Latin Club, Football Team, Science Club, National Honor Society, Who's Who, Basketball Team, Track Team, Participant in Presidential Classroom for Young Americans in Washington D.C., and being voted Mr. Senior of the Class of 85'.

Spence is the son of Charles and Anne Shipley. Spence ranks 4th in the Senior Class with a 3.917 grade point average. His future plans are to attend either Murray State or Transylvania University and major in pre-dentistry. After college Spence wishes to go to dental school and become an orthodontist. Later he hopes to marry and raise a happy family.

When the Myth Staff asked Spence to express his feelings about his years at Doss, he replied, "Doss has given me the opportunity to achieve the high academic and athletic goals both my family and I set for myself. My years at Doss have given me memories and friends that will last forever."

Volume 18 of the Myth is Proudly Dedicated to **MR. STANLEY K. WHITAKER**

By a vote of the yearbook staff, this 1985 edition of the Myth is proudly dedicated to Mr. Whitaker. He has served as principal of Doss High the past four years and has helped improve our school environment in many positive ways. With his guidance and leadership, Doss has become one of the best schools in Jefferson County.

A graduate of Western Kentucky University where he earned both his Bachelor's and Master's degrees, Mr. Whitaker is an active and involved person both in and outside school. In his spare time he enjoys baseball, the theater, and saddlebred horses. He rarely misses a sporting event and is a big help with the vocal music department.

Doss people from a wide range of levels are complimentary of Stan Whitaker's performance at our school. English Department Chairman Jean Hatfield commented, "This educator's ideologies are student-centered and he seeks excellence as a mainstay." Senior Becky Lee felt, "Mr. Whitaker has been a positive influence in the lives of students here at Doss." Student Council President Brian Nunn stated, "Without Mr. Whitaker's guidance and concern, I don't think I would have accomplished as much." Earl Magruder, Assistant Principal, viewed "Stan Whitaker as an outstanding educator and administrator." A personal interest in the individual is shown by Senior Craig Smith's comments, "Mr. Whitaker has supported and advised me on many different occasions. This guidance has enabled me to do my best as a student and as a person."

In an often difficult and always demanding position, Mr. Whitaker has led many efforts to improve our school. Among those improvements have been abolition of the smoking area, a nutritional break, the Excel program, lights for the football field, Wednesday dress-up day, attendance awards, recognition of outstanding teachers and alumni at graduation, encouraging and traveling with Doss students on many trips, the Contemporary Youth Singers, birthday observances, a labor-saving copy machine for teachers, receptions for Senior athletes, Who's Who recognition, the Academic Decathlon team, and many more.

Reflecting many of these improvements has been a revitalization of school and community spirit. Frequent pep assemblies offered students and staff a chance to together celebrate and recognize our achievements on the field and in the classroom.

Stan Whitaker has meant a great deal to Doss High through giving much of himself, whether it be in terms of time, spirit, or dedicated leadership. We are proud to dedicate this yearbook to such a man.

Memories Pressed

Memories . . . they're always with us and the really special thing is that all of us have our own unique memories. These memories in part make us the way we are. Both the good times and the bad times are there for us to look back on. It's always more fun to focus on the good times though. Remember the friends, the exciting games, and the good teachers? It's these moments that most of us want to keep with us. They're what helps us get through the rough times in life. When you feel depressed, think of the jokes with your friends in the hallways and the times you had with that one special friend. The laughter that had echoed down the hall returns and suddenly you don't feel quite so bad. Doss and the people involved with it provide us with a great deal of memories. Who doesn't remember his first day of school and the confusion that followed it? The sports and activities that let us participate and show our pride in Doss all remain important to us. School spirit and pride are things that separate us from many other schools. We have this extra advantage and it gives us the opportunity to do more in school than just get a basic education.

Let me see you get down!

Kim and LaDonna present awards.

Mr. Shephard awards player of the week to David & Eric.

It provides an incentive for us to go beyond what is basic and to give an extra effort in whatever we are doing. Not only do we have our share of outstanding individual performances, we have just as many people working hard in the background. These are the ideas that should stay with us through all of our lives. The time we spend away from school also affects our lives at least as much as the time we spend at school. Our families and homes give an escape from the pressures at school. They also give us more special moments that stay with us. The friends that we've made at school stay with us after the bell rings and sometimes all through life. Those memories of the times you and your friends spend at the park and the times you all went for a ride in Dad's car may not seem all that important when you first look back at them, but later you'll be grateful that you have those good times to reflect upon. It would be impossible for us to capture all of this in a year-book, but what is included should act as a reminder of the memories of the past year. What we've created are MEMORIES PRESSED BETWEEN THE PAGES.

HOMECOMING WEEK: OCTOBER 1-5

William, Todd, Darren, and Walter consider Jr.'s #1.

Melissa, Jennifer, and Teresa oh so gorgeous.

Vonnie, Donella, Kim, and Tonia put seniors ahead.

Hey Hey Hey just some wild and crazy gals.

David, Kevin, and Brent, three fine guys, one fine car.

The team, the screams, pep-rallies cheers, Homecomings' dreams, the seniors last tears.

The 1984 football Homecoming was a memorable experience. The day of the game held the most excitement, beginning with the parade down St. Andrews, and through the community. The pep-rally, beginning after the parade, was led by the seniors who are coming to an end and the freshmen who are just beginning.

The week leading up to the game, was almost as exciting as the game itself. The week started with Monday-Friday being spirit week, followed by the chili supper, pizza-eating contest, powder-puff football game (seniors 21, Juniors 7), bonfire, and the game against Shawnee. The dragons were victorious, beating the Indians 21-0.

Junior girls never gave up, thanks to good coaches and a great team.

1984 CHRISTMAS PROGRAM

Alison's smile captures the camera.

A festive mood and a feeling of generosity once again come to Doss with the 1984 Christmas program. Due to the cooperation and great effort put forth by the students and faculty, the school successfully raised over \$1200 and collected enough canned goods to distribute to 15 families throughout the Doss Community. The spirit of giving provided a warm feeling to all those involved.

With Student Council President Brian Nunn and Mr. Whitaker guiding the program, the candlelight ceremony proceeded smoothly. Selections by the Pepsi Singers and the choir helped to create a holiday atmosphere. The selection of fifteen seniors for Who's Who made this day especially memorable for those who were selected.

But whether they were directly or indirectly involved, the day was special for everyone.

Mr. Whitaker sang "A Magic Time is Christmas."

Kim lifted spirits as she sang "Bethlehem Morn."

The candidates for Who's Who are nominated by Doss Teachers, then the students were told who was selected. These selected students met with the Administrative Staff and were told of the requirements. They were given an application and told the deadline date for returning it. Points are assigned for:

1. Grade point average
2. Number of times nominated

3. Activities

4. The letter students write as to why they should be selected.

After totaling the points, the fifteen students with the most points were chosen. The names of the fifteen students were announced, and were introduced with their parents at The Christmas Program on December 19, 1984.

1st Row, Left to Right—Missy McAlmont, Angie Taylor, Jamie Vincent, Brian Scherer, Miss Gail Taylor, Troy Denson, Chris Hall, Lisa Paxton. 2nd Row—Mitty Davis, Pam Hart, Julie Sharpenstein, Chris Abrams, Hermon Morris, Tyrone Booker, Leanne Helm, Kim Hill, Becky Lee. 3rd Row—Anissa Echols, Emlyn Poole, Turahn Gordon, Doug Sheakley, Craig Smith, Shawn Eley, Beth Powers, Pat Melton, Rodney Pitts. 4th Row—Karen McGlawn, Gary Wathen, Bill Breckenridge, Greg Quiggens, Chip Wagner, John Davis, Gwen Cole, Gene Shepherd, Lynette Farmer.

To become a member of the Pepsi Singers involves intense competition. About half of those who try out actually become members of the group. The students must first be involved in some area of the music program such as choir, mixed chorus, music theory or band to be able to audition for the Pepsi Singers.

Kim Hill who is one of the few

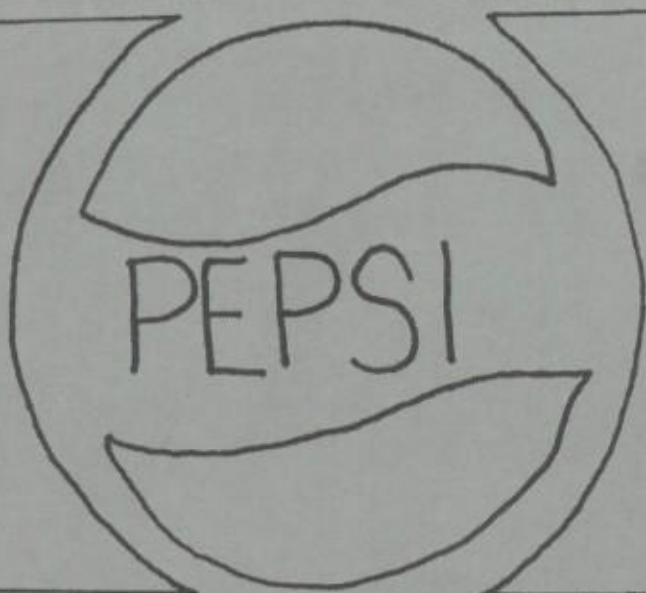

singers that has been with the group for four years, was also asked to comment about her feelings as a Pepsi singer. "Being involved with the group has taught me much about dealing with others. The experience has been very beneficial to me. Learning how to accept both positive and negative criticism has helped me to become a bet-

ter well rounded person."

Miss Hill not only sings in school but also has an active singing career outside of school.

The Doss High Pepsi Generation Singers is a group of 36 choral students, from 9th to the 12th grade. They meet twice a week after school for practice.

Miss Gail Taylor who is the heart and soul of the group was

Lisa Paxton, Leanne Helm, Lynette Farmer, Singing a few notes.

asked to comment on this past year. "Participation within the group is very good with activities appropriate to the individual needs and abilities of the students. There is a warm acceptance in the group which enables the students to contribute their ideas and talents freely."

"The opportunities and the

recognition that the group has encountered have been most rewarding. Students in the Pepsi Group are meeting and learning to get along with all types of people. They also get to work in audio and TV studios. The highlight of the year is to perform on the Pepsi Generation Christmas program on TV in Louisville and "Christmas Around the

World" in Chicago.

"The program is a real plus to the school system. It has given the students and community a chance to work together. One of the goals of the school system is to inter-act with companies. Pepsi Singers work closely with the Pepsi Bottling Company, which in turn gives the company and school good public relations."

Seniors—Ring Day and Dance

The Ring Ceremony is a traditional event in which the meaning of the ring and each symbol is explained. After the explanation, each person is called up to receive his or her ring from our principal, Mr. Whitaker. On May 25, 1984, the class of '85 gleamed with anticipation because they were now the leaders of the school. With the entertainment of Kim Hill, Rebecca Lee, Jeff Hornback and Laura Jacks, it was definitely a day to remember.

After the ceremony, the new seniors were treated to cake and punch in the courtyard, supplied by the P.T.A. The seniors went to their friends to get a traditional turn of the ring, but they saved the 85th turn for someone special from whom they received a kiss.

Later that night, the celebration continued. The Ring Dance was held at the Executive West in the Queen of Scots Ballroom. Dinner was supplied and pictures were taken by Morgan's Photography and by our own Mr. Magruder. From 9:00 to 1:00, everyone enjoyed themselves with dancing and music supplied by WLRS. The Class of '85 will always remember this day as a very important and exciting time of their lives.

The theme of the Ring Dance was "Take a look at Me Now" by Phil Collins. The 1984 Junior Class Officers were: David Sanford—Pres., Craig Smith—Vice Pres., Paul Smith—Secretary, and Chris Tunks—Treasurer. Without the help of our Junior Sponsors, Mr. Nash, Mrs. O'Bryan and Mrs. Quisenberry the ring dance would not have been possible. All of these and many others helped in making the Ring Dance a great success. Thanks to all of you!!

FAREWELL CLASS OF '85

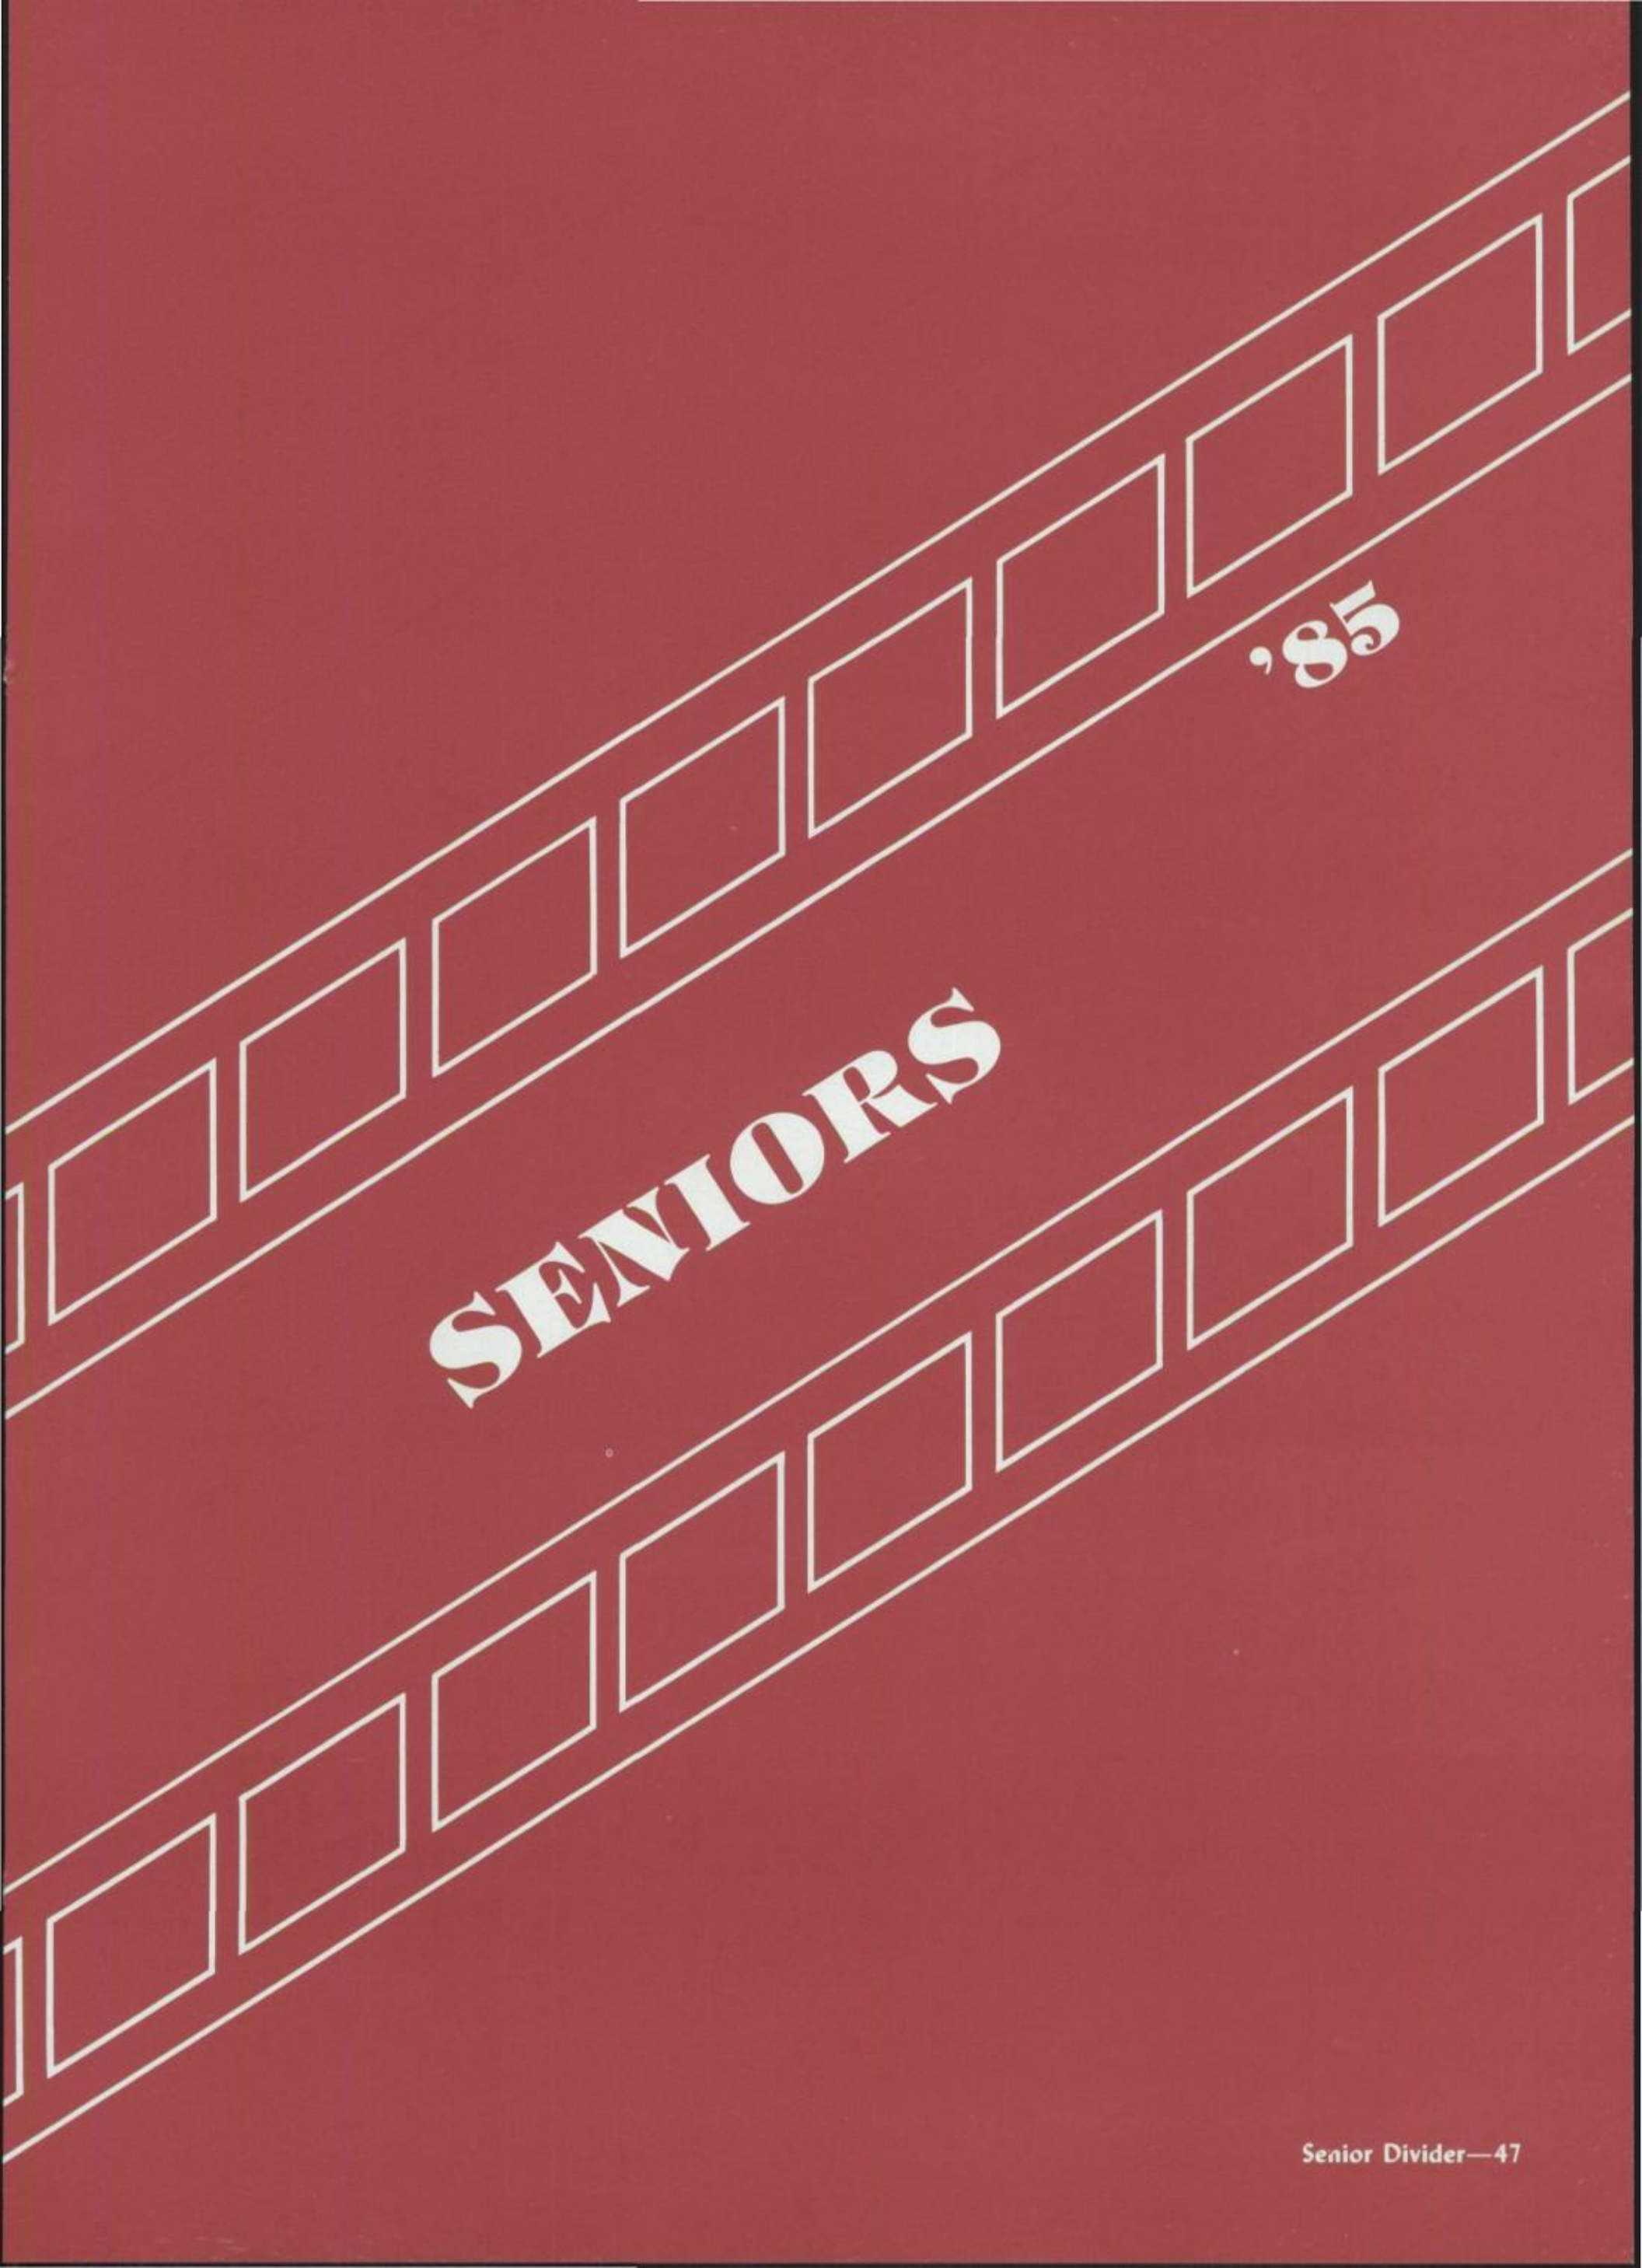

The time has come to say goodbye;
the years are gone, the time did fly.
We've grown together in special ways.
We'll never forget our "High School Days."
When we started out as freshmen, we knew it'd come,
Where has all the time gone; our High School Days are done.

On graduation day I'm sure the tears will fall,
Sure there have been some bad times, but it was worth it all.
The friendships that we've made, I know will never end,
We're moving on in life, and I'll miss you all my friends.

Cramming for finals, counting the days,
Football games on Friday nights have gone by in a haze.
We never thought we'd get here, and yet here we stand,
Face to face with our future and all the things we've planned.

We were a one-in-a-million class,
Wild, free, and alive.
It's been a year to remember,
Goodluck, Class of '85.

The junior officers: Lisa Duncan, LeeAnne Helm, Doug Albro, and Leanne Anderson, tried to make the past year both pleasurable and successful for the class of '86. Thanks goes to sponsors, Mrs. Quisenberry and Mrs. O'Bryan, for their help and support.

Mr. and Miss Junior

Mr. and Miss Junior are honorary positions chosen by members of the class of '86. Nominations were made in homerooms with final election by paper ballot.

Miss Junior, Karen Cotten, is sixteen years old. Maintaining a "B-" average, Karen enjoys being with her friends and going to ballgames. Her activities include volleyball and softball. A friendly smile is always around when Karen is there.

Mr. Junior, Steve Sipes, is the son of Bill and Martha Sipes. With a "B" average, Steve finds time to be a member of the J.V. basketball team, Spanish club, science club, and model for COSMO/Casablanacas. Outside school interests include computers, art, sketching, music, and modeling. Steve is sixteen years old and was last year's Mr. Sophomore.

Karen and Steve are well-known figures around Doss High School and in the community. Both of these likeable young people served well as representatives of the proud and highly aspiring class of 1986.

Mr. and Miss Sophomore

Mr. and Miss Sophomore are honorary positions selected by members of the class of '87. Nominations were made in homerooms with a final election by paper ballot.

Miss Sophomore, Christie Carroll, maintains a "B" average while participating in the Drill Team, Science Club, Spanish Club, and Sophomore Excel. Swimming, dancing, modeling, being with friends, and especially spending time with Neil are among Christie's favorite activities. Her future plans include the University of Kentucky and a career in the field of advertising.

Mr. Sophomore, Niles Whitson, is the son of Niles and Betty Jo Whitson. His sister, Bobi Jo, is a junior at Doss. Niles, an avid sports enthusiast, participates in J.V. football, Varsity baseball, and J.V. basketball. Niles considered being chosen Mr. Sophomore quite an honor. His future plans include college and a possible career in law enforcement.

Miss Freshman

The election process for Mr. and Miss Freshman occurred during the end of 1984. Nominations were first taken in homeroom and then later the freshman class chose their representatives.

The class of 1988 chose Sonja Lester as Miss Freshman. Sonja's primary school activity is basketball. Out of school, her favorite hobby is skating. Sonja maintains a "C" average and college will play an important role in her future. Sonja is looking forward to her future years at Doss.

Mr. Freshman, Dustin Jacobs, has a special interest in sports. His activities at school include soccer, wrestling, and baseball. Dustin puts an emphasis on baseball and would like to go to college and later play baseball professionally. Mr. Freshman is currently maintaining a "C" average. He will surely be a fine participant in Doss' athletic program.

The class of '88 is finely represented by these two enthusiastic young people.

CATCH THAT DRAGON SPIRIT

STAN WHITAKER is in his fourth year at Doss as principal. He is a graduate of Western Kentucky University where he has received his bachelor's and master's degrees. Mr. Whitaker enjoys baseball, the theater, and Saddlebred horses in his spare time.

Mr. Whitaker is a man full of bright ideas. Since he has come to Doss, many changes have taken place. All of the banners hanging in the school and the designs on the walls are all symbols of the good changes that have been made. With the help of Mr. Whitaker, Doss has become the envy of many schools. Everyone seems to want to be better than Doss and they sometimes succeed, but it is rare.

Some people may think Stan Whitaker is too strict and uses too much discipline. But if you look at our students and community, you will respect the discipline, because Stan Whitaker has made Doss one of the best schools in Jefferson County.

ASSISTANT PRINCIPALS and COUNSELORS

Earl Magruder, Jr. has twenty-six years experience, four years at Doss. He is an assistant principal in charge of discipline of the ninth and twelfth grades. Earl enjoys golfing, playing tennis, and taking pictures in his leisure time.

Jo Ann Blair has fifteen years of experience. She is one of the assistant principals in charge of discipline for the ninth and eleventh grade students, inservice education for local schools, staff scheduling, and grade reporting.

Nettie Porter has thirty-two years experience in the school system. As a guidance counselor, she is in charge of students with the last names of O-Z.

Cecil Steen is in his sixteenth year at Doss of his twenty-two total. He is the counselor of all students with the last names of A-G.

Jane Stansbury is in her seventeenth year at Doss. She has a total of nineteen years of experience. Miss Stansbury counsels all students with the last name of H-N.

Pressing the Memories

Between the Pages

The 1984-85 Myth staff consisted of ten seniors, three juniors, and two sophomores. Frank Cunningham, our sponsor, and the fifteen member staff met everyday fifth period to plan, organize, and create the Myth. With only four members from the previous year, there were a lot of questions asked about creating it.

Each member was assigned a certain job and certain sections of the Myth. We worked individually and together on making a successful yearbook. Even though we had a lot of headaches and frustrations in making the Myth, we had a good time and a good learning experience. We, on the Myth staff, hope you enjoy the Myth this year, and if you do, we feel we've made a successful yearbook.

Business-like aren't we?

Kim keeps track of ads.

THE BURGUNDY PLAYERS PRESENT

GREASE

"Grease is the word", or at least it was both the word and the play in early May of 1984. After rehearsing for three months the BURGUNDY PLAYERS put on their show. Three evening performances and an in school performance were all highlighted by talent and humor as the Doss drama club took a whimsical look at romance in the 50s.

The players did a tremendous job in making the play a success. It took time, patience, and stable nerves to endure the weeks of practice until the final show.

"I thought the play was good even though I had my ups and downs."

Bill Breckinridge

"The play exceeded my expectations by 1000 percent."

Runner-Up for West Regionals

Softball

The 1983-4 softball team consisted of fifteen players who earned the West Region Runner-Up spot. Seniors Shelly Towell and Debbi Schmitt led the team with experience and enthusiasm. The rest of the team was made up of four juniors, two sophomores, and seven freshmen. With such a great number of underclass-

men, the team was young and inexperienced. Additionally, Coach Leon Mudd was serving his first year as head softball coach.

As the year went on, the girls improved, losing the regional tournament by only one run as Southern beat Doss 3-2. The rainy Spring weather wreaked havoc with the

schedule as about eight games had to be cancelled. The team gave it their best through the season which included several doubleheaders.

With the experience and enthusiasm of a successful season behind them, the returning underclassmen should form the nucleus of an even more successful team next year.

WITH A 8-3 VICTORY OVER VALLEY IN
THE TOURNAMENT, DOSS BECAME

DISTRICT CHAMPS

The 1984 Doss High School baseball team completed another successful season last year and ended up with a 15-12 win-loss record. Led by second-year coach Calvin Biggs and five seniors, the team had valuable experience which helped them through the tough spots in the season.

The team started quickly, winning

eight out of their first ten games. This streak included a win against a tough North Hardin team. Unfortunately, rain caused the squad to miss three early games and they finished with nine rained-out games. They made a fine showing in the Valley Invitational Tournament and although they had trouble later in the

year, the regular season was a success.

Doss' postseason play was outstanding. They won their district with a 8-3 win over Valley. In the Regionals though, Doss lost to Southern in the first round. This brought an end to a surprisingly good season for the Dragons.

Neil Olliges gets ready to deliver a pitch during practice before a game at Valley.

JOCK TALK

Neil Olliges, pitcher, was asked to comment about the 1984 Doss baseball team. Here's what he had to say:

"I feel that Coach Calvin Biggs has done a great job. He has helped the team by raising money for extra equipment and has worked hard in building an excellent baseball program at Doss."

Neil was also asked which game he remembered the most.

"The game I remember most was when we defeated Valley for the district championship. It gave our team the confidence we'll need to win the region this year."

Girls Tennis Team Gains Experience as Underclassmen

DOMINATE

The girls tennis team of the 1983-84 season ended up with a 5-8 win-loss record, which overall was fairly good figuring the team was made up entirely of underclassmen.

The team consisted of three juniors (LaDonna Koebel, Lisa Spencer, and Kelley Snawder), three sophomores (Tamara Frazier, Heidi

Blessing, Michelle Blackburn), and three freshmen (Jill Wells, Lisa Brummett, and Shannon Porter). Four of these tennis pros were veterans from the 1982-1983 season: Kelley Snawder, LaDonna Koebel, Tamara Frazier, and Lisa Spencer.

All of the girls on the team played extremely well, with a special com-

mendation to Lisa Spencer who was chosen most valuable player on the girls team.

Special thanks should be given to Mr. Jim Helphinstine. He once again came from P.R.P. to coach our girl's tennis team.

Boys Team Shows Promise as Thad Cosby Reaches the SEMI-FINALS

The 1983-1984 boys tennis team ended up going to the State Tournament for the third year in a row. The leading participant for the Doss team in the tournament was Thad Cosby. He advanced all the way to the semi-finals, in the Regionals, ultimately losing to the eventual champion.

The boys team ended up with a 6-7

win-loss record for the season. The boys team also gained some needed experience, as a majority of the players were freshmen.

The team consisted of one senior (Thad Cosby), one junior (Greg Quiggins), three sophomores (Brian Nichols, Todd Barber, and Jeff Prosser), and six freshmen (Derek

Coleman, Todd Rush, Sean Riley, Todd Whitehouse, Bruce Crum, and Bryan Crum).

Coming all the way from P.R.P. was the coach of the boy's team, Mr. Helphinstine. As the boy's coach, he offered his expert guidance and leadership to them.

JOCK TALK

Greg Quiggins said about Boys Tennis that it "was a very good . . . young team . . . with one of the best coaches around."

Greg Quiggins said it best when he said, "I feel that last years tennis team was a very good one. We were a young team, but we had lots of talent with Thad Cosby as our number one seed." Thad was also chosen most valuable player on the team. But there are also others, on the team, who should be equally honored for their

noteworthy talent. Mr. Helphinstine said of Brian Nichols, Todd Barber, Bryan Crum, and Bruce Crum, that they played exceptionally well. He also said of them, that if they stick with tennis, they could become the next Jimmy Connors, Bjorn Borg, John . . . well . . . maybe not quite that, but they do have an immense amount of talent.

GIRL'S TRACK TEAM BECOME . . .

THE REGIONAL CHAMPS

Congratulations are in order for the girl's track team. Not only did they finish in first place in three out of four track meets, but also finished in first place in the Regional Championship and came in second in the Sectional Championship.

Marvin "Ray" Byerly did an outstanding job coaching the team and

getting them into fit condition. As a result, we had a very fine relay team consisting of: Kim Hill, Vonnie Pittman, Tonia Rice, Stephanie Shultz, and Donella Simmons. Those five runners formed the backbone of this year's team. The other fine athletes were: Tracie Pride, Karyn Hart, Tina Moore, Julie Kenney, Sheila Johnson,

Karman Pulce, Sharon Pendleton, Angie Taylor, Charissa Hall, Tammy Baker, Jennifer Leitner, Lisa Norton, Lynne Pearson, Theresa Brangers, Junice Johnson, and Lisa Leitner. Next year, the squad is expected to be a dominating force in track and field.

The yearbook asked Vonnie Pittman how she felt about the 1984 track season, this is her reply: "I really felt it was an honor to make it to state and win something. We really worked hard at it and it all paid off at the end. We appreciate all the work that Coach Byerly put in with us, thanks."

Willie Hudgins, 400 Meter Dash Regional Champ

SPRINT

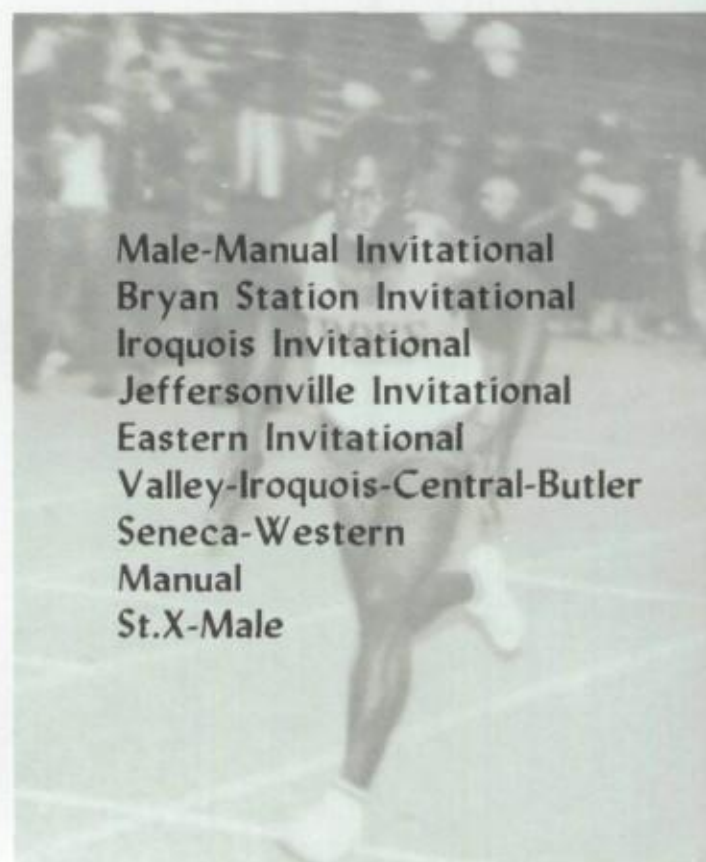

April 4th was the beginning of a successful season for the 1984 Boys Track Team. This is a sport which requires a great deal of stamina, endurance, and dedication, for those involved. One man that has dedicated his time, knowledge, and experience to this sport is Coach Bill White. Mr. White has coached Boys Track for

several years and has had quite a few outstanding members. The '84 team consisted of 20 participants: Eric Bagley, Keith Booker, Darren Berry, Clark Carroll, John Conard, Troy Denson, Dennie Galloway, Gary Hack, Shawn Horton, Willie Hudgins, Eric Jackson, Fred Moore, Rodney Morgan, Darvin Moore, Rodney Pitts, Spence

Shipley, Doug Sheakley, Ron Vincent, Clem Vinegar, and Ernie McIntosh. The team attended many meets and Invationals and achieved high honors. The 800 and 1600 relay teams both attained the title of Regional Runner-Up, where Willie Hudgins became Regional Champ in the 400m dash.

Coach spends time with runners before meet begins.

Jock Talk

"We had a decent track season last year and next season looks very promising", comments senior Spence Shipley. He also adds humorously "Coach White's a sissy and the "leapers" got off."

Working together is of vital importance while running on the relay teams.

Beth Powars Finishes 13th in State Tournament

FORE!

Last year, golf was dropped as a sport except for five tournaments held at various country clubs.

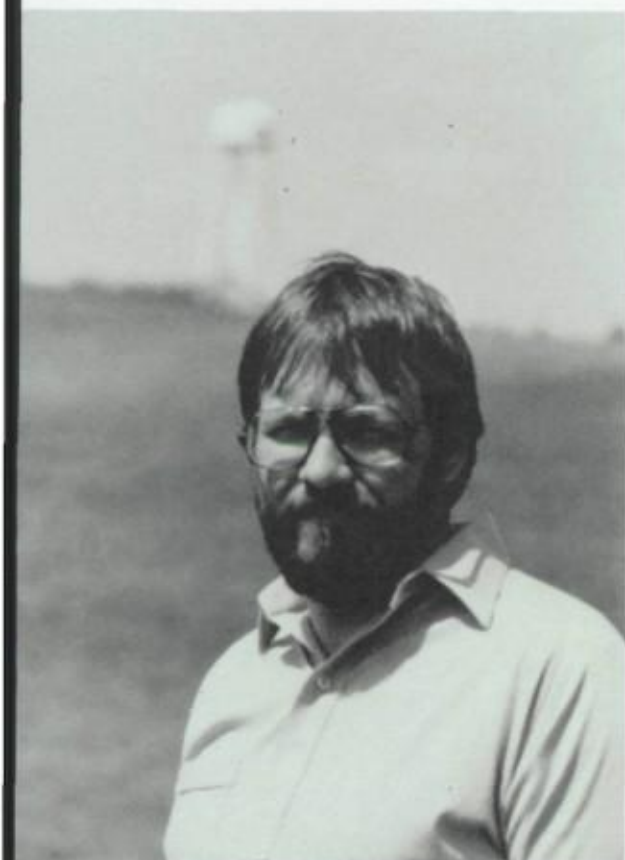

The girls were led again by Beth Powars, who won two of four tournaments, and qualified for the State Tournament with a 6th place finish in the Regionals. Beth Ubelhart, in the State Tournament since the seventh

grade, was in the top five in the two tournaments she played, but lost in a playoff for the last spot in State Tournament qualifying, ending her string of appearances at five.

The boys were well represented on the Tournament trail by Toby Fields with 2nd, 3rd, 4th, and 5th place finishes, Eddie Pehlke with 4th and 5th

place finishes, Tripp Dalrymple, and Walter Denham. The team tied for 2nd in the regionals, but lost on the first hole of the playoff for the State Tournament.

The team is looking forward to the coming season which may prove to be one of the best in years.

Coach Joe Freshley enjoyed his second season.

GREEN TALK

Beth Powars said, "Going to the State Tournament is a great experience. I love the feeling of competing to see who is the best."

"I look forward to having a better team this year. Hopefully, we'll go to State as a team," said Toby Fields.

Toby Fields studies the flight of his last shot.

Blitz

The mighty Doss Dragons kicked off their football season with high expectations. They felt they had a lot to live upto after going to the playoffs the past three years. The Dragons started in fairly good shape, returning nine starters from the previous year's 8-4 team. "Our strong points are in the offensive backfield and ends but, we'll have to rebuild

our offensive line," said coach Pope before the season began.

With Spence Shipley returning at quarterback and Brett Williams and Kevin Cornette in the backfield the Dragons offensive unit showed a great deal of promise.

When the defense took the field, key players had to influence others with less

experience. The returning players of defense included Pat Melton, linebacker and defensive end, David Law.

Injuries and inexperience finally caught up to The Doss team. A 4-6 season was disappointment, but the memories for the players and fans will live for a long time to come.

Doss Soccer Team Shatters Old School Record as They Reach the REGIONALS

The 1984-85 Doss Soccer team was a tremendous success. The team butchered it's way through most of the regular season play. With it's 7/2 win/loss record, it earned the right to enter the Jefferson County West Regional Tournament games.

In their first game of the Regional

Tournament, the Doss team romped past Iroquois for a final score of 7 to 1. In their second game of this rough and tumble series, the Dragons literally destroyed Southwest Christian to give a final score of 8 to 1 in Doss' favor.

In the third and final game of the

West Regional Tournament, Doss played one of it's toughest matches against DeSales. At the end of the second half of the game, the score was at 2 all. At the end of two overtimes, DeSales was the victor at 3 to 2, ending Doss' fantastic season and claiming the title.

First row: Becky Humphrey (statistician), Eric Campbell. Second row: Bruce Cambron, Ricky Fowler, Todd Hatfield, Chad Perkins, Keith Denton, Dustin Jacobs. Third row: Coach Dan Shepard, Shanda Blair, Jerry Goodhue, Ronnie Vincent, Gary Hatfield, Todd Hash, Scott White, Todd Hawkins, Doug Johnson, Craig Hagan, Assistant Coach David Payne.

A special commendation should go to David Payne for his outstanding contribution to the Doss Soccer team. As a graduate from 1983-1984, he came back voluntarily to give his expert leadership to the Doss team as the assistant coach; coaching under head coach and athletic director,

Dan Shepard.

Next year's team should go all the way with the return of 14 of the 19 members that were on the team this year. These talented players shall gain even more experience as the years go by.

CROSS COUNTRY

The 1984 Cross Country team once again exhibited the qualities essential to the successful runner. Discipline, dedication, and endurance combined to make the season one of personal growth for each runner as team members pushed themselves to greater and greater accomplishments. Although the points and victories didn't add up to as many as hoped,

personal growth, satisfaction, development of team spirit, and camaraderie made the year indeed a memorable experience.

Brad Sharber, Greg Mattingly, Paul Sanders, and Kevin McDowell led the team in making the year a successful one. Despite this being her first year on the team, Angel Vardeman, a freshman, became a successful run-

ner.

The girls came in 3rd place in both the southern and Moore Invitationals. Congratulations girls for such a good job. special thanks to coach Byerly for doing a good job with the cross Country team in making the year an accomplished one.

By beating P.R.P. in double overtime, DHS wins another regional title for the 3rd time

The varsity Boys Basketball-team once again proved themselves a contender for regional honors as they continued the tradition of winning and excitement. Pre-season newspaper stories predicted a balanced sixth region with Doss an experienced team led by seniors Terrance Moorman, Spence Shipley, and Maurice Jones. As the season wore on, other players emerged to provide the skill, determination, and points necessary for victory. With last year's memory of our second appearance in the State Tournament Sweet Sixteen in just four years, Coach Mudd and the team had a lofty goal.

The last-minute scheduling of Seneca one of the nation's finest high school teams, proved too tough as Doss fell by 17 points to open the season. In the early going, the Dragons held their own, but the Redskins took an unbeatable lead in the second half. Still reeling from that opening loss, the

Dragons took it on the chin from Western 60 to 56. The Male Bulldogs proved unwitting victims in overtime as Doss finally made it to the victory column. A 6th place finish in the talent-filled King of the Bluegrass tourney included two wins and two losses. The traveling Dragons then moved on to the McDonald's Classic Tournament in North Carolina where they finished 2nd in the 8 team tourney. Gathering momentum, the boys moved into the heart of the schedule and reeled off eight victories as they climbed to fifth in the entire state according to the Litkenhous ratings before losing to then-ranked #2 P.R.P. Overwhelming victories over Fairdale, North Hardin, and Bardstown Bethlehem put us back on the victory track as the squad ended the regular season with 18 wins and 7 losses.

Having earned the right to play Beth Haven in the first game of the 23rd District, the boys won by a score of 110

to 32 and advanced to the final against highly regarded Valley. The game appeared tough, but the Dragons won convincingly 92 to 81.

In 6th Region play, the Dragons first took on Southern playing at Doss. The second round of regional action saw Doss beat Shawnee 56-51. Having earned admission to the regional final showdown for the second year in a row, Doss won in a double overtime squeaking past P.R.P. 63-62.

Finishing the entire season with a record of—and—, Coach Mudd's Dragons once again provided fans with an exciting season filled with great expectations, great skill, great excitement, and earned the respect and envy of other schools for the fine tradition of winning Dragon roundball. A part of that tradition occurred when Coach Mudd's team won the 200 hundredth victory of his coaching career, a rare feat indeed.

By beating valley 49 to 45 Lady Dragons take

23 District Championship

A new head coach and many young players were perhaps the most dominant elements of the '85 Girls' Basketball team. Ms. Terri Keowen moved from her previous position as Shelby County assistant to take the helm here at Doss. Among the starters, only Vonnie Pittman was a Senior.

Early season games saw the Lady Dragons hold their own beating Western in the opener by a 49 to 47 squeaker. Mercy then overwhelmed

Doss and the pattern seemed to be set. Wins alternated with losses as the young team gained experience. The highlight of the regular season was a win over Shawnee, in which Ms. Keowen said the team played well as a whole, shooting 54% from the field.

Individuals who led the team included Traci Pride with a 13 point average, hitting 49% from the field, Vonnie Pittman with 8.5 rebounds per game, and Kim Pehlke who scorched the net

at the free throw line with 77%. The most improved player of the season was Sharon Pendleton who was a key factor in several late season victories. All District honors went to Traci Vonnie, Kim, and Sheila Johnson

Seniors show character and leadership

Susan Betz—a hard worker and leader, plays first sub at forward. Wendy Howey—a strong rebounder, was hampered by an ear season injury which kept her from playing most of the season.

Vonnie Pittman—a tremendous leader who is intimidating at defense, and blocked 46 shots during the season.

Team Members Show Effort

Surprising the experts and making preseason predictions look bad, the Lady Dragons took the 23rd District Championship with their victory over Valley and earned a spot in the 6th region tournament. Facing Western's Lady Warriors, Kim Pehlke led the way with 17 points and Doss won 39 to 36. Mighty Southern, eventual regional champs, ended our season, but with such a young team, the future looks bright indeed.

J.V. Boys have

Super 12-2 Season

The 1984-85 JV season was a complete success. The JV Dragons started their season with Seneca and Doss won 36-22. Then with their first win under their belts, the Dragons started on a roll by winning 8 more in a row, among the victims were Western where Doss won 45-32 and also Male where we also won 49-42. Then our roll

was almost curved when DeSales come close to an upset 48-49. Next the Dragons breezed past Valley 58-45, and also Iroquois 38-29. One of their easiest games was against J-Town where we blew out 53-37. Butler gave Doss a run for the money but lost, 47-45. Another close one was Southern, but Doss won 38-36. The end of the

Dragons season was a tough one. They lost to Holy Cross 48-56. They also lost to P.R.P. 45-51. Coach Salyer was proud of his JV team this year, and especially proud of their record.

Valuable Experience

Opening the season with a decisive victory over Western, the girls then dropped a 26-20 decision to powerful Mercy followed by a close two-point loss to Fern Creek. Valley's Vikings were the unwitting victims as the J.V. Lady Dragons earned a twelve-point victory reaching the 500 mark.

The team rebounded from losses to

Seneca and Iroquois to top Presentation. Holy Cross bounced the Dragons 38 to 31 before we beat Butler 29 to 27. Southern topped Doss 31 to 22 and then P.R.P. bombed the Dragons 50 to 21. A lopsided 45 to 26 win over Fairdale preceded a heart-breaking 31 to 30 loss to Jeffersontown. Waggoner ended our season on an unpleasant

note 32 to 17.

Sharon Pendleton led the team in scoring while Tammy Chapman and Tammy Carter tied for rebounding honors. Tammy Carter led the team in free throw shooting percentage with 68%.

Wrestlers Pin For Victory

The wrestling team consisted of mainly freshmen and sophomores this year.

Great progress was achieved with this very young team from the beginning of the season. Rick Fowler attained places in the Jefferson County and Fall City Tournaments. Recommendations also go Les Williamson,

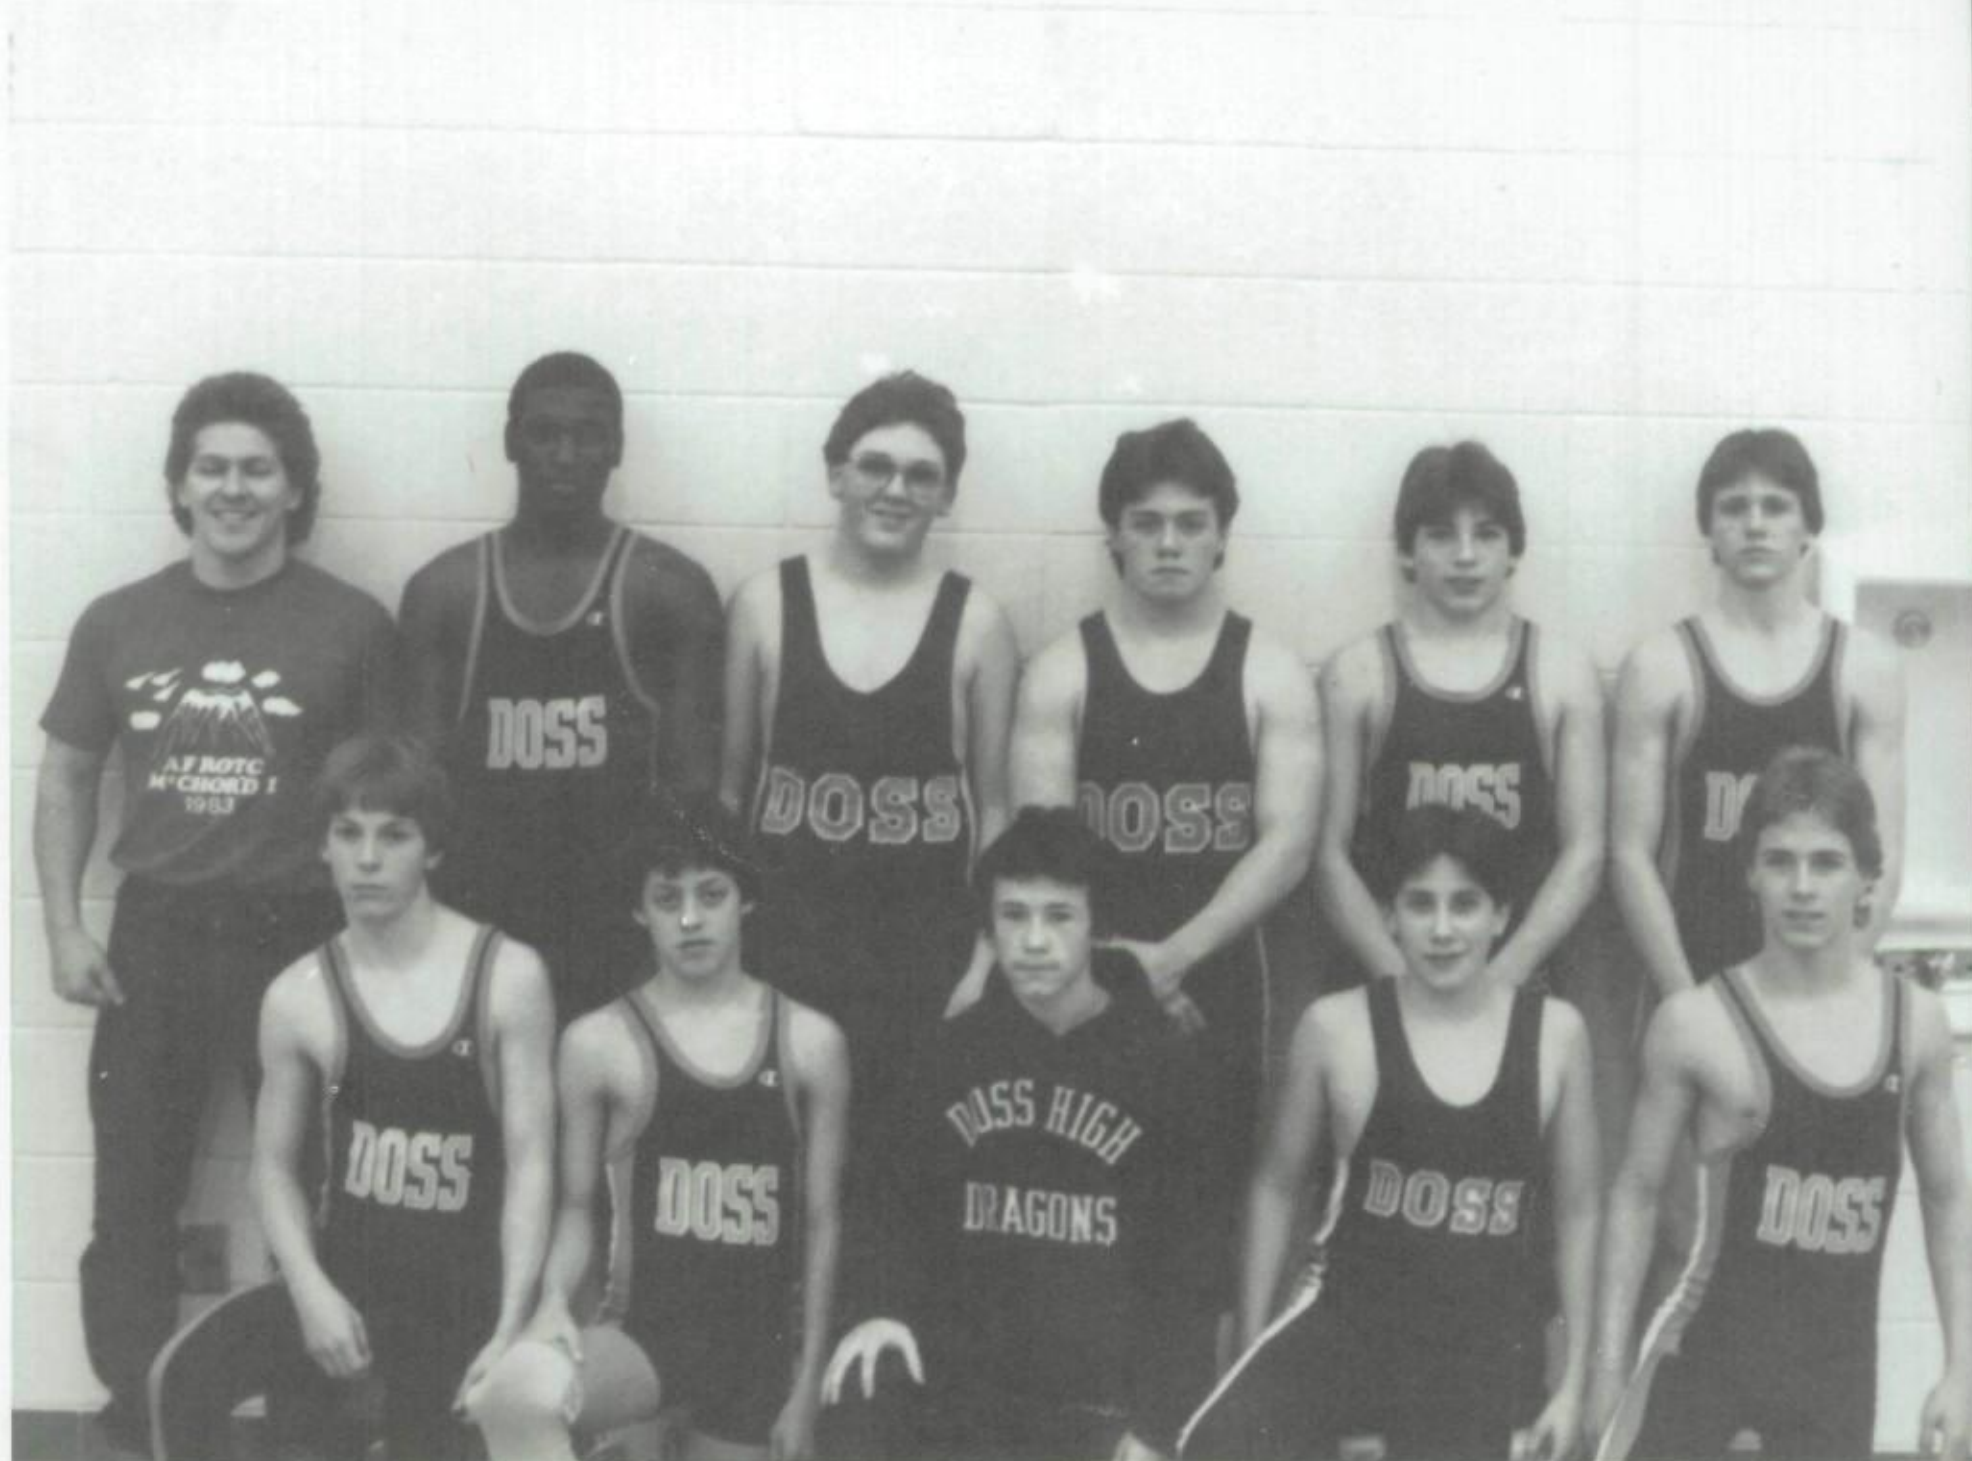

Dustin Jacobs, Todd Hawkins, Walter France, Mark Simon, Mike Kapfhammer, and Paul Thompson for improving substantially since the start of the season.

The J.V. squad consisting of Phil Ellis, Josh Myers, and Chris Blanton also improved greatly. I, coach Cattan look forward to a tough wrestling

program at Doss High School in the '85-'86 wrestling season with the return of all but one wrestler, Walter France.

The Team with the more experienced wrestlers expects to place in the top three of the district.

(Coach Cattan in his first year of coaching, has done a great job!)

"We took it on the chin this year, but I still had fun. All our wrestlers are returning next season, so I think we will improve. My favorite memory is Fall City Tournament."

Coach Cattani gives guidance.

The Doss High School Varsity Cheerleading squad received several awards for its performance at Universal Cheerleading Camp, Bowling Green, Kentucky.

The team received five superior ribbons, one excellent ribbon, and two Golden Superior ribbons for Top 5 Squads. The squad was invited to attend the regional competition in Memphis, Tennessee.

The members of the A team are Seniors—Jennifer Lomax, Tami Butler, Vicki Hatfield, Leisa Brown, and Lisa Galloway. Juniors—Carolyn Potter and Jamie Vincent, and Sophomore—Missy Butler.

Under the leadership of Mr. Patterson, the cheerleading year consisted of hard work and great dedication through the summer, football, and basketball season. These are memories each cheerleader shares and are pressed between these pages.

1984-85 Varsity Cheerleaders . . .

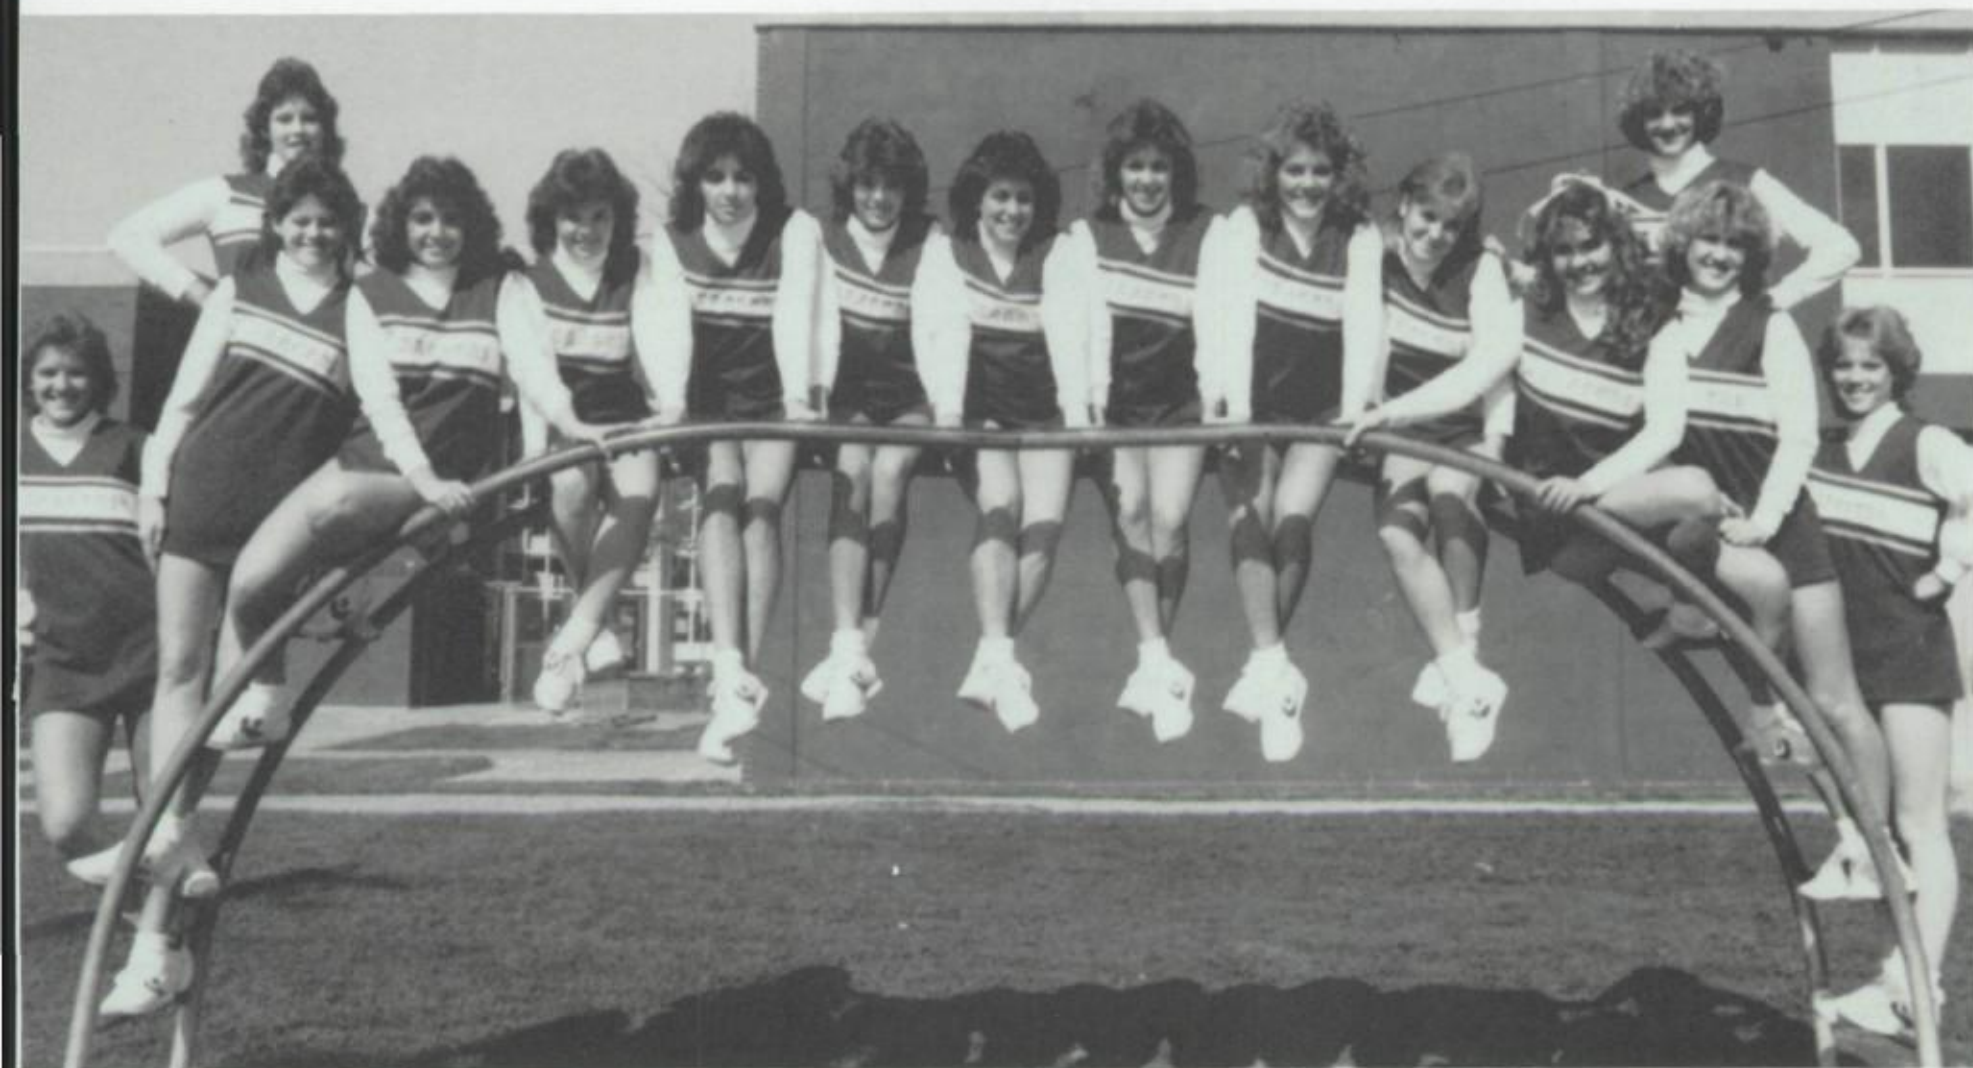

In the past, Doss has had two cheerleading squads: A Varsity and A Junior Varsity. However, this year the J.V. Squad was eliminated giving Doss two Varsity Squads. Over the summer these two squads practiced and competed separately. But at the beginning of football season they were combined making one large squad consisting of 15 members: Kim Watson (Captain), Jennifer Lomax (Captain), LaDonna Koebel (CoCapt.), Tami Butler (CoCapt.), Tina Spencer, Vicki Hatfield, Michael Rickert, Lisa Galloway, Michelle Graham, Missy Butler, Tammy Mills, Jamie Vincent, Dawn East, Lesia Brown, and Carolyn Potter.

During football season, the squad cheered for all Varsity games, while the underclassmen cheered for the J.V.. Yet, during basketball, each separate squad alternated week games and combined as one for weekend games.

The members of these squads dedicate much time and effort throughout the school year to improve themselves and the school spirit. It is the role of these cheerleaders to be a leader, maintain her grades, and keep spirit in her school. In other words 'A cheerleaders work is never done.'

THE DAZZLING DRAGONETTES

Row 1—C. Stone, A. Hasselback, C. Roadcap, S. Patterson, K. Walker, V. Hutchason (Co-Captain), C. Carroll, T. Edlin. Row 2—J. Godsey, R. Thomas, B. Long, J. Pinnix, M. Davis (Sponsor), M. Blackburn, M. Frank, S. Goodlett, K. Lyons. Row 3—T. Toledo, R. Lawhorn, K. Hart (Lieutenant) B. Mellet, T. Hasselback, T. Mathes, K. Dunn (Captain), D. Saunders (Co-Captain).

Ms. Michelle Davis—A special lady!

The Dragonettes consist of 24 hard-working, dedicated girls. They performed during half-time at football and basketball games, pep rallies, and at community functions such as the Manly Community Center ESSA Day. Competing at Western Kentucky's Universal Dance Camp Competition winning a second-place trophy and earning entry to a spring competition in Florida.

Long hours of practice after school and during summer vacation go into making the Drill Team a success. The Dragonettes only continue to get better and better through the dedication they put into it. It takes many, many hours perfecting a routine. It takes even more tolerance to put up with one another day after day. The special affection the girls feel toward each other helps to make their common goal easier to reach—to be the best Doss has ever seen.

The Dragonettes extend their very special thanks to Ms. Michelle Davis, their sponsor who gives everything she has to making this year a success. She spends much personal time working with the girls and they would like her to know it is very much appreciated.

Seniors—Vicki Hutchason, Corrine Stone, Kare Dunn, Donella Saunders.

Mrs. Betty Young

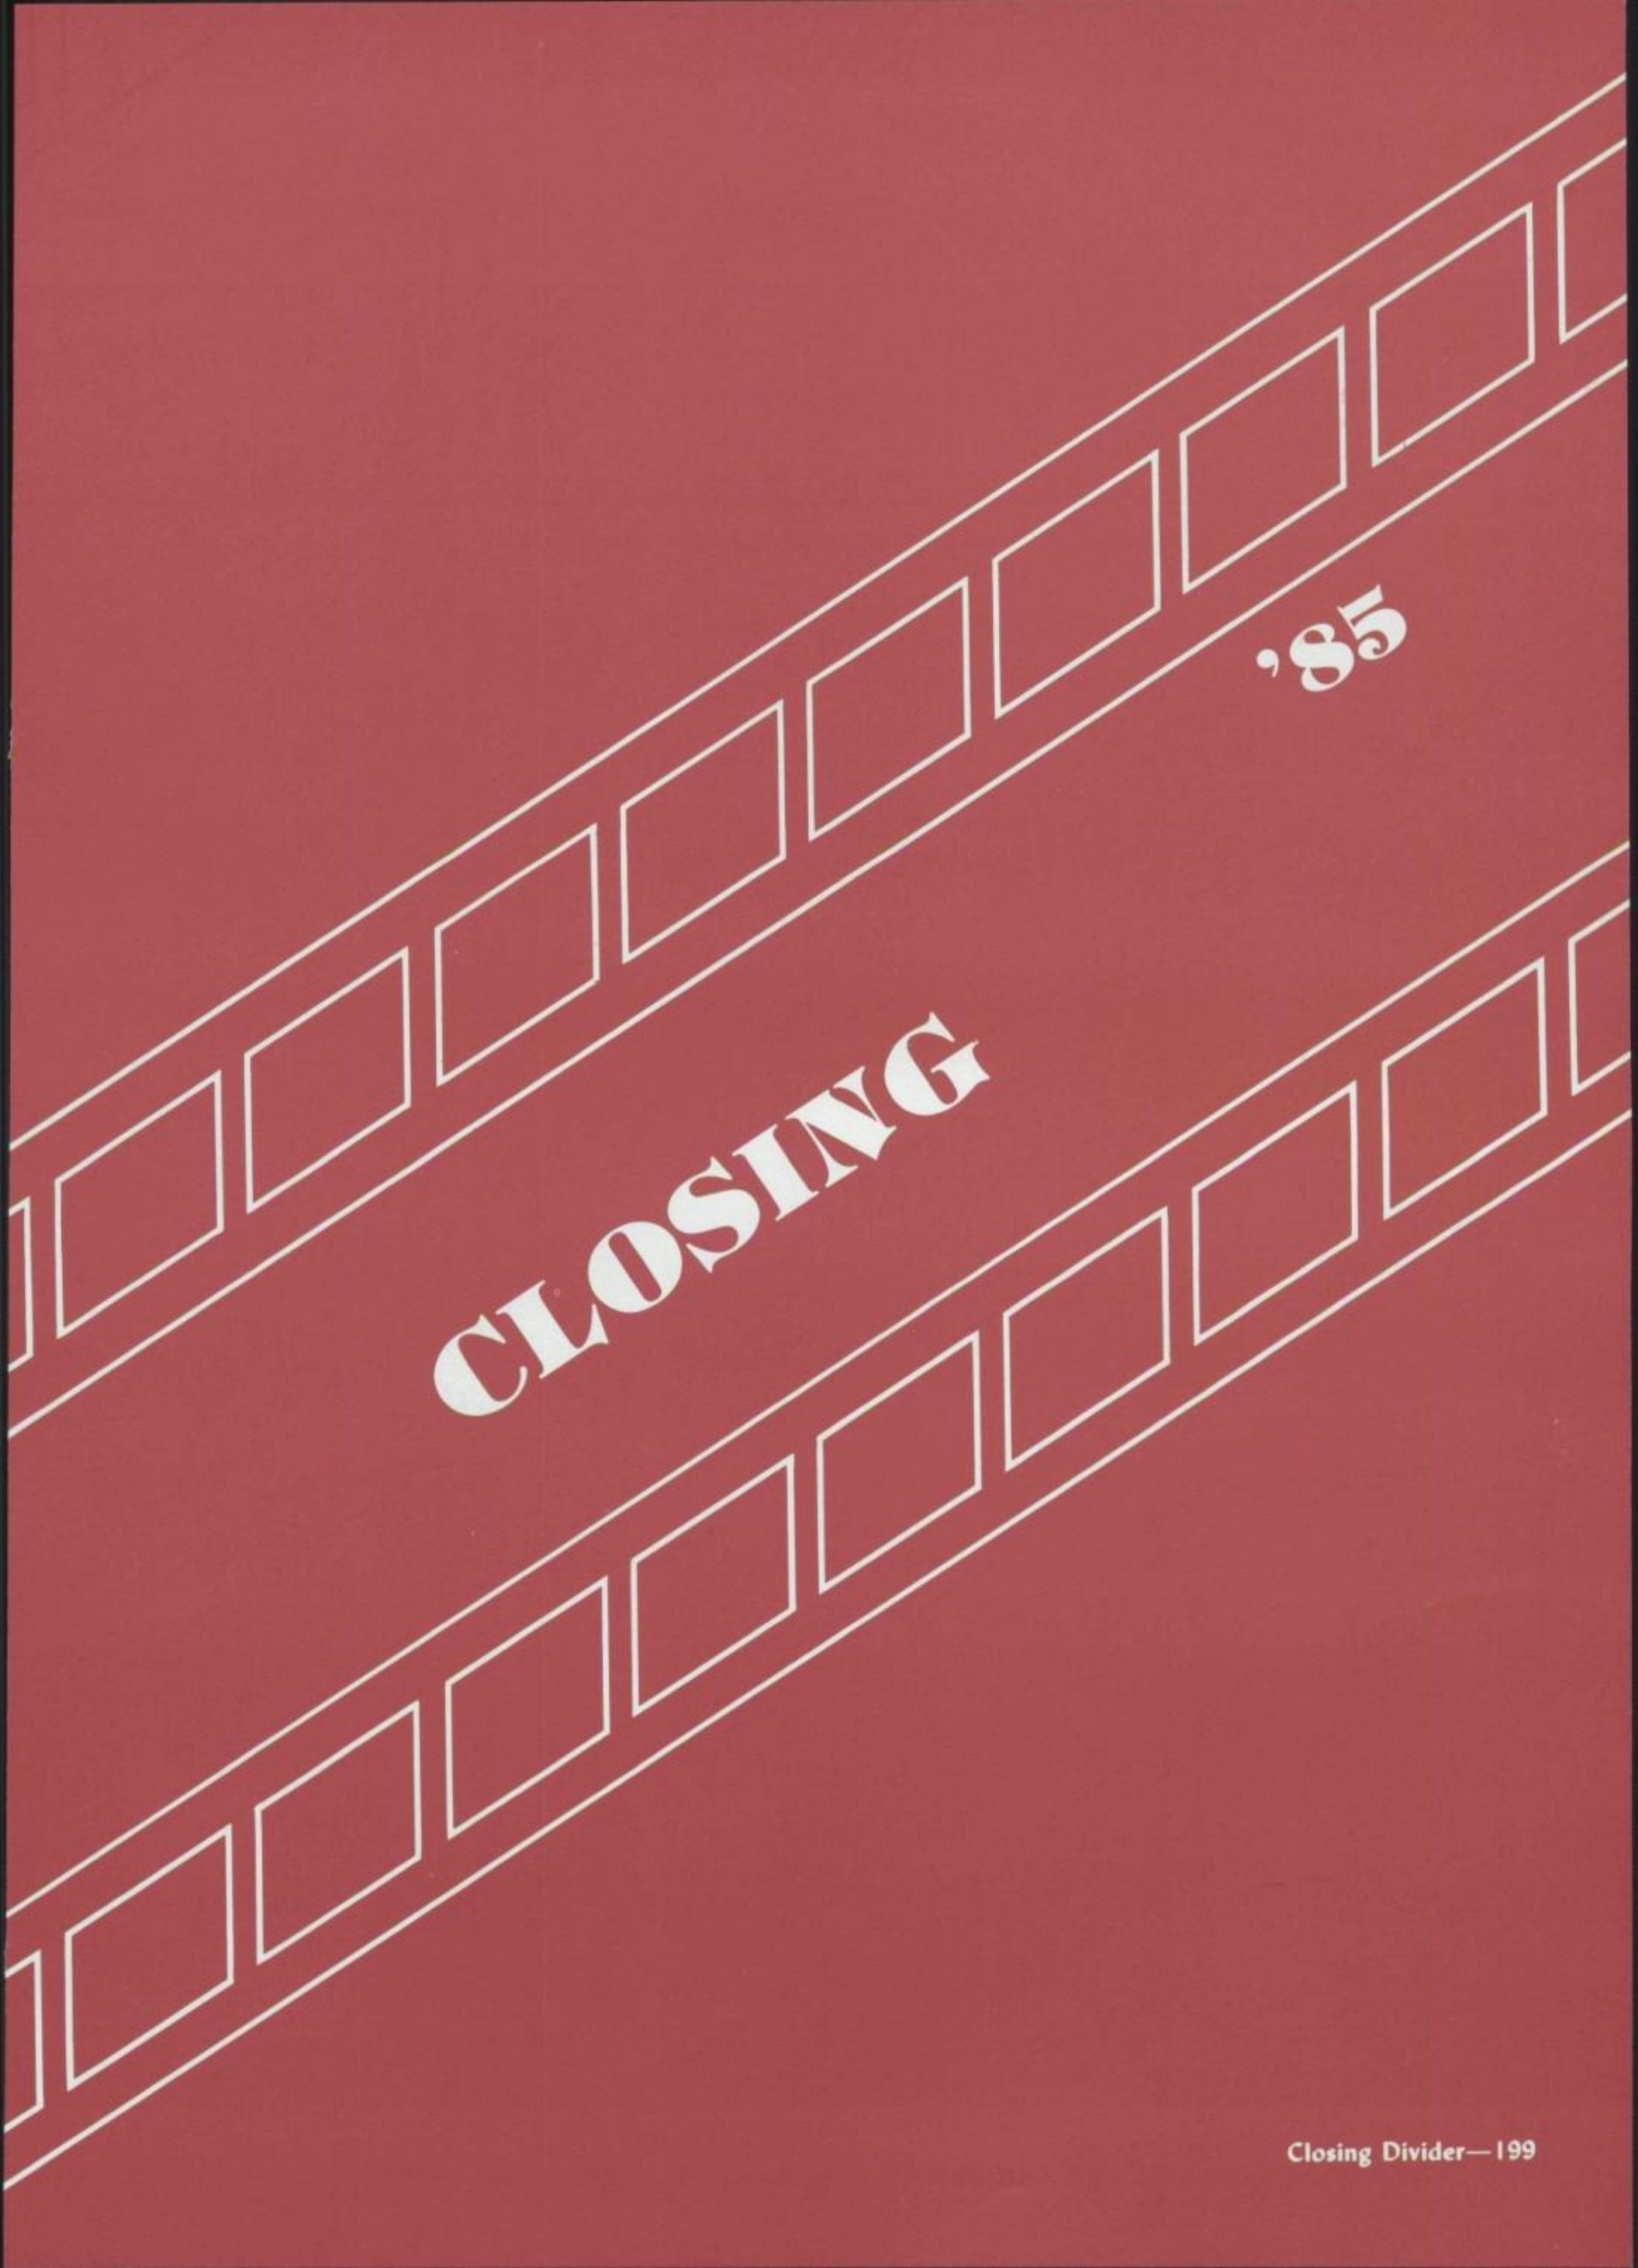

Mrs. Young helps Mike Whiteside and Brian Crum in a biology experiment. Finally ... no more dissecting of worms!

Occasionally, a teacher will come along whose memory remains with his/her students even after the course is over. Mrs. Betty Young has been one of these teachers at Doss. This year, after 30 years of teaching, Mrs. Young has decided to move into full retirement and is looking forward to new, exciting ventures. When she was asked about her future plans, she said that she would like "to travel, to enjoy my leisure time, and to buy a boat big enough to live on and then cruise."

When asked about her favorite memories and people from her years of teaching, Mrs. Young responded with the following: "Each student I've taught has left a special memory. I especially enjoyed sponsoring the Beta Club (which I did for 10 years) and being a class sponsor (12 years). The class of '77 is an important part of my memories, as is Miss Jucoff who has been next door for 18 years. The early years at Doss were exciting; I helped design the ring, choose the school colors, pick the fight song, and form the 'tradition'."

The students and staff members at Doss would like to wish Mrs. Young a very happy and exciting retirement.

Memories To Last

Everyone spends a great deal of time reflecting upon his or her past. As another year of memories come to a close, we can once again look back. Each of us has special memories from this past year that has become a part of us. Sports, clubs, and classes opened up new worlds to us every day. For the underclassmen, memories are still adding up as they look forward to the next year. The seniors will remember the past year perhaps more than any previous one. It was the last year of a very special time in their lives. After graduation a new way of life awaits. Remembrance of faculty and friends at Doss are etched into the minds of all who are associated with the school. They also help to mold the way we think and react in life.

However wonderful the future might be, though, we can still look fondly back at our past. New experiences and new developments awaited us everyday. Here in Louisville, advances in the fields of medicine and urban development brought the area into the nations spotlight. Locally, the spotlight shone brightly on Doss' own students. A SADD chapter, started at the beginning of the year, received attention throughout the community.

LaDonna and David enjoyed the dance.

A Lifetime

Jay looked to the final season.

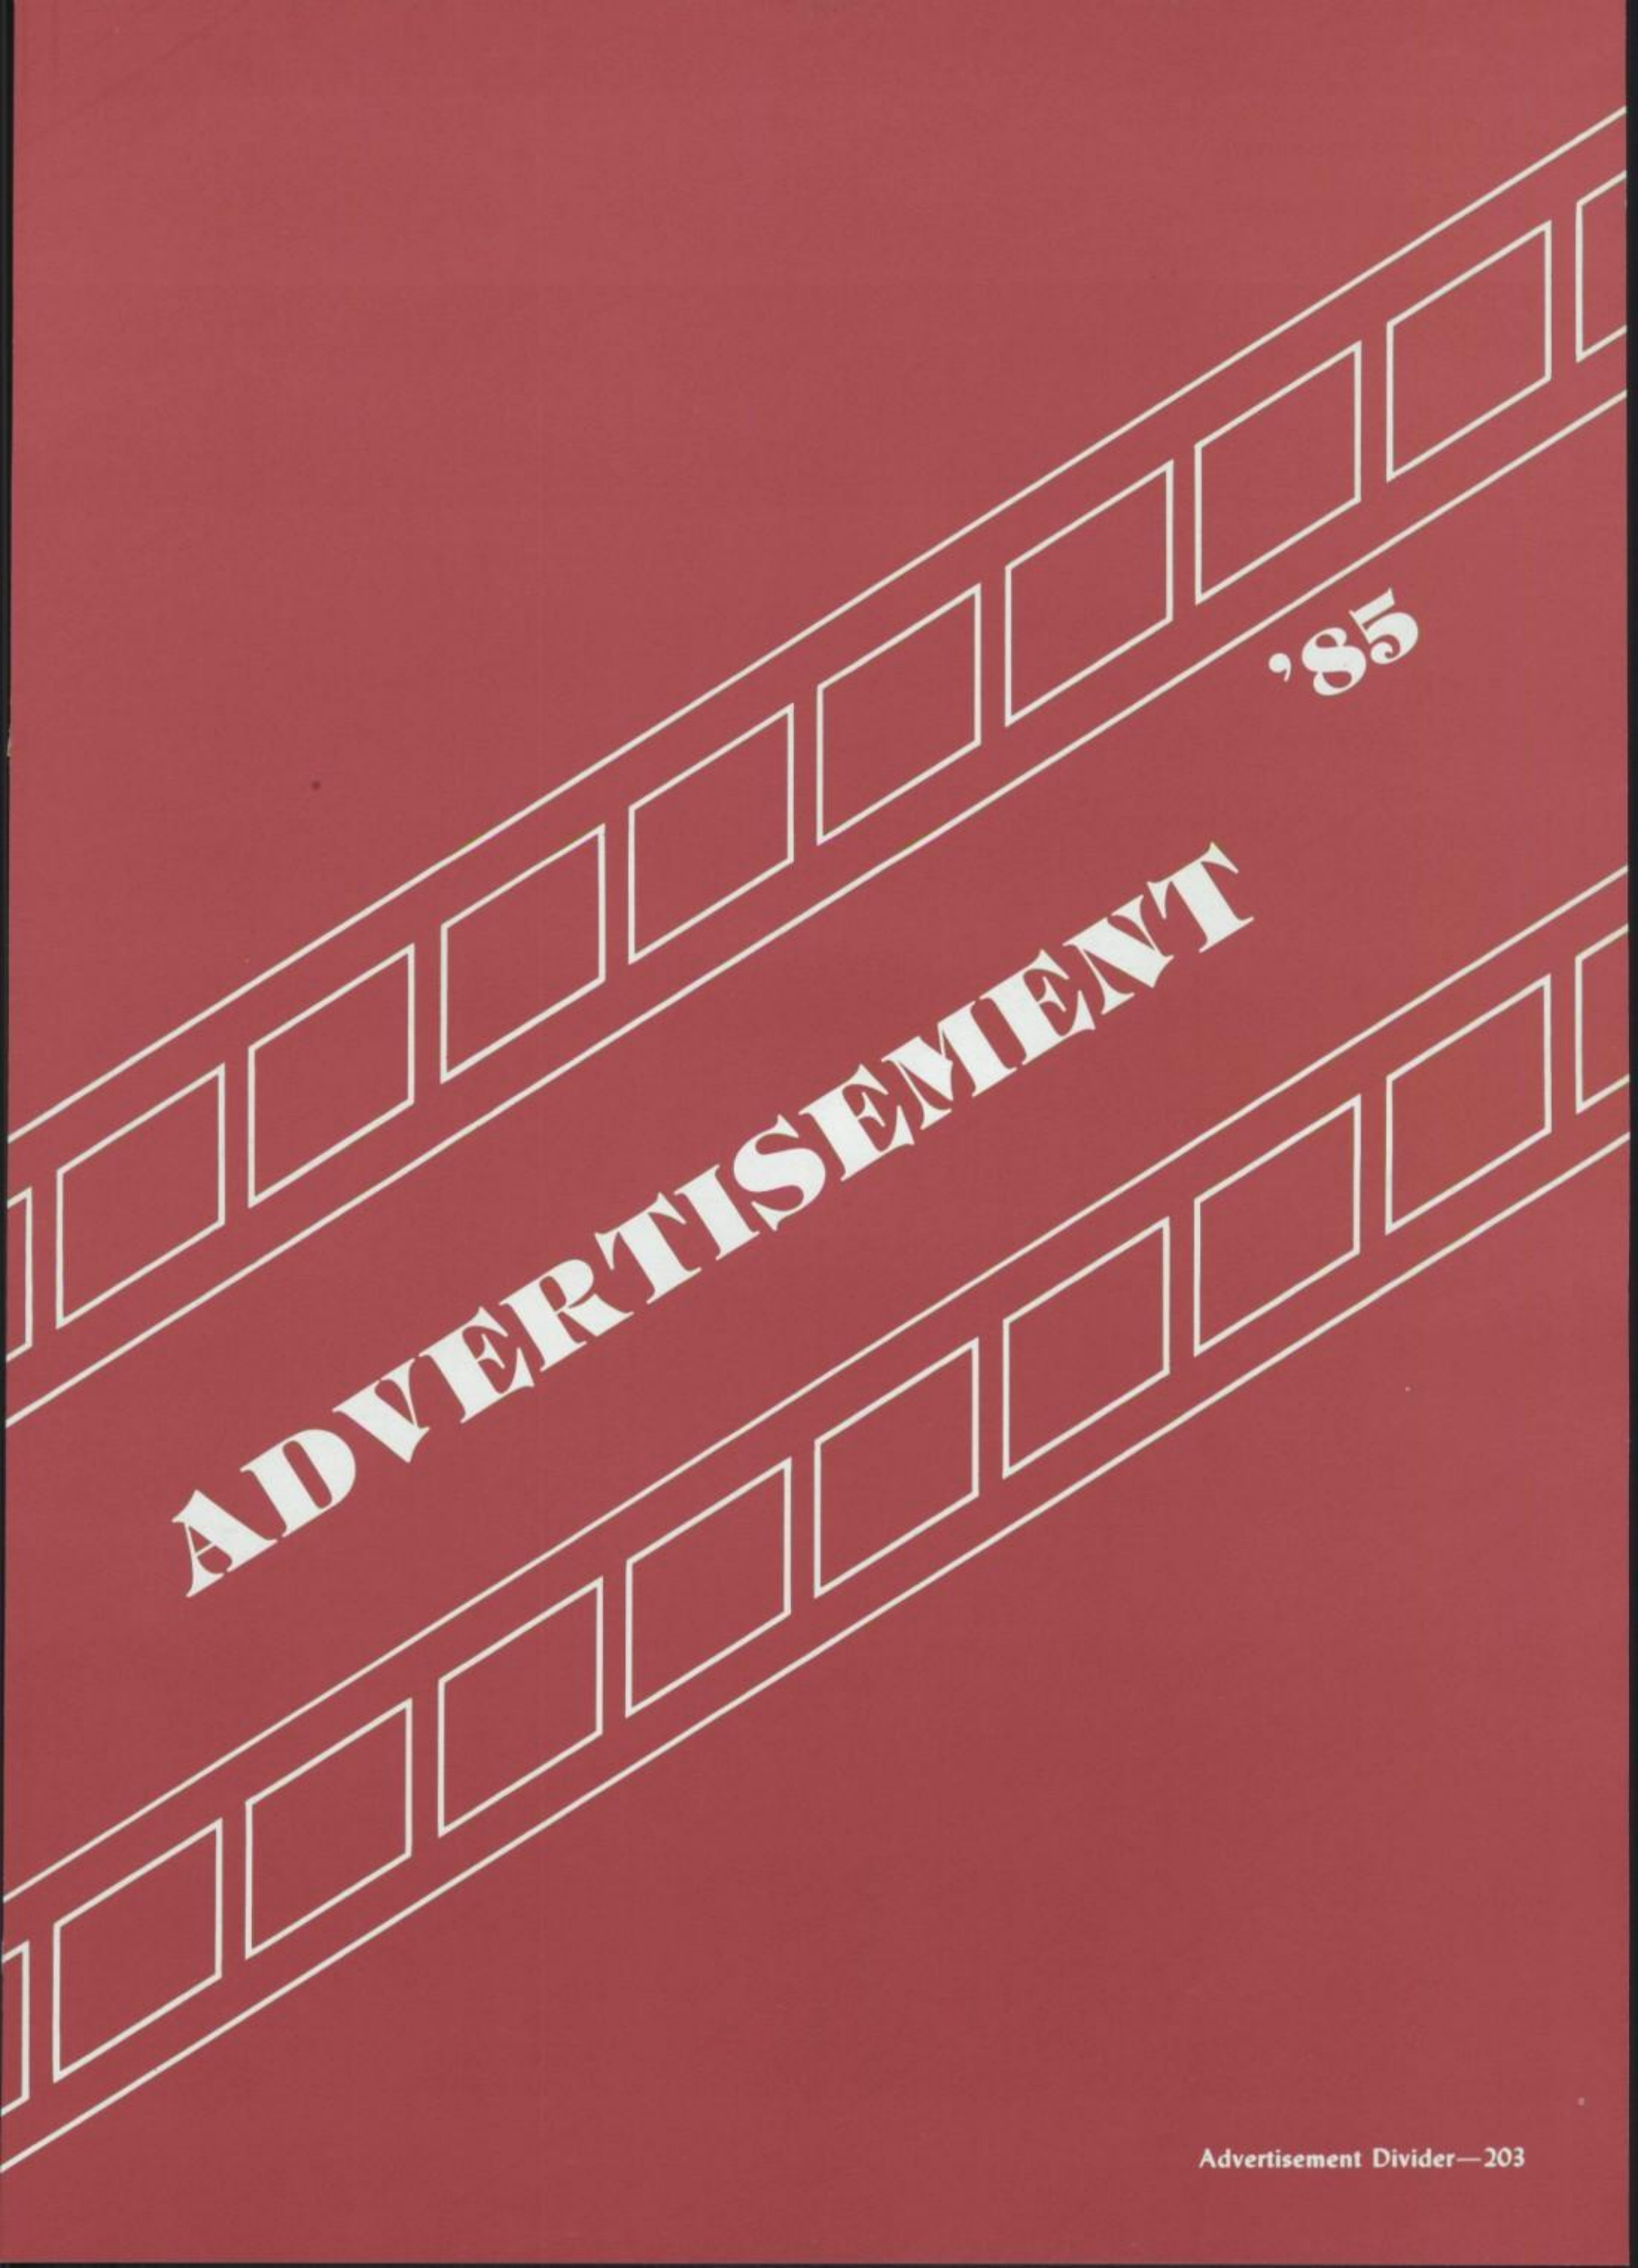

Becky received the most valuable player award.

Excellence in sports not only brought recognition to us, but it also gave us something from which we could all show our pride, either by participation or by just being there cheering for our school. Activities and honors such as the pepsi singers and the National Honor Society were continuous and the fine tradition of Who's Who goes on. This past year has seen the beginning of a freshman honors program and the first graduating class of excel. Interests in our activities at Doss even spread to Japan, as a group of Japanese educators came to visit our building to study our system of education. It truly was a special year.

But now it's time to put down our past and look ahead to our future. No one knows what the future holds for him or her, but one can always dream. It has been said that, "Today's dreamers are tomorrow's achievers." At Doss, many of these dreamers are already achievers. This leads to higher aspirations and bigger dreams. Where will it all end? When each of us becomes the best person he or she can be, then that's all that can be asked. This is what makes DOSS HIGH SCHOOL the special place that it is.

Young Trees.

They're like you. So fresh. So vibrant.

Young trees are supple. They bend but won't break, even in the strongest wind.

They yearn to grow and be stronger. Young trees can hardly wait to take in the next breath of air.

Young trees can grow as they wish. And reach out to the sky. And no young tree should think that they cannot touch the sky. For as long as they think they can, they can!

Memories Pressed Between The Pages

As you take this book from the shelf
Sit right down, and examine yourself
See how you've changed as you turn the page
Have you reached all the goals as you grew in age

This book represents the moments of your youth
The time that you gave and the effort you put forth
One day you will realize your not so young
And soon you will wish life had just begun

The books you disliked so long ago
Are really the books that helped you grow
As you read this annual and the words within
You can see how you were and where you have been

The people you met and the friends you have known,
May have faded away as older you've grown.
Yet all these memories pressed between these pages
Will always shine.
You will remember the years you left behind.

MEMORIES

Hey Buddy. The Year is finally over!! Thank God. I thought it would never end. esp in Geometry. The only thing I know is the difference between a triangle & a square. Joke, Joke! I hope you are in some of my classes next year. Remember all the time (speeches) in Halfield's. One more year of her. Can we make it? I doubt it. Don't ever forget Chemistry. That was a joke. I know it will be hell in college. Have a fun, safe & happy summer. Be careful. if you know what I mean. I don't have to worry about that??

OF 1984-1985

Karyn - a you have been a super-great friend. A good send, as a matter of fact. I don't think I would have gotten through Drill Team if it hadn't been for a few people, and you are one of them. The time we talked and gossip sessions mean a lot to me and you are definitely one of my favorite Drill Team memories. I feel like I could talk to you about anything and you would know where I was coming from. You seem so mature, and sort of above the rest of the crowd, you stand out, and I hope you realize that you are one person I really admire and kind of would pattern myself after. Don't disappoint me! Just joking, I know you won't. Never forget all of talks about people, and the gossip sessions, camp, all the tears shed there, and ^{when} we went shopping for you a prom dress, that was neat and I feel like I got to know you better. I hope we have fun on Drill Team next year and you better be our Capt. I know we may have started out not liking each other, you thinking I was weird for wearing pea-green pants that I never owned, and you at one time having something I wanted but we turned out pretty good. Thanks for always being there with a smile and those pretty blue eyes! full of sympathy! when I needed it the most! Love ya!

Kim

Karyn,

Well its been one week of a year. Remember all the times w/ Drill team. Camp, car washes, & Christmas Party. I hope I'll have some classes next year. Well stay sweet & don't forget me. Good Luck.

P.S. we finally gave you
made it! Shanie
